Teacher: Ms Katherine Rowen

Email: katherine.rowen@pattisonhighschool.ca

Course Description: Confidence in English language comes from extended and consistent usage. We will work towards students being able to communicate confidently in a variety of situations both verbally and through the use of appropriate body language. Students will learn what it means to be a good listener to further aid their ability to speak English. This will be done through various exercises including presentations, exploring a range of scenarios, role plays, field trips, watching, and listening to several types of mediums and recording and practicing their pronunciation. The increased confidence and vocabulary gained in this class will complement the AR writing and vocabulary courses well.
