Course Description

Career-Life Connections is 12 an important course that gives high school students the opportunity to answer some big questions: “What do I really want to do with my life?” and “How will I get there?” Through intentionally designed lessons, activities, and assignments, students will participate in learning opportunities that will help them dig deeper into their personal strengths, consider how those strengths relate to potential career pathways, and determine a post-high school plan that can help them transition to their next great adventure.

This course relies on online content, so students must bring a laptop or tablet to class.

Class Room Expectations:

1) Attendance & Punctuality

- a) Be on time and notify the front desk when you will be absent. Don't not ever leave campus without permission during school hours in-case of an emergency.
- b) If you are sick, notify the front desk via email and do not come to class. You will require proof of sickness in the form of a note that is either signed by your parent, home-stay guardian or a doctor. You must also leave a contact number for the person who signs the note for verification purposes.
- c) **Technology Policy During Class:** All phones must be placed in the student lockers during the school day. Students are required to bring a laptop or tablet to class.

2) Plagiarism & Academic dishonesty

- a) Plagiarism and academic dishonesty cannot be tolerated under any circumstance. From the Teacher's perspective, it is very simple to recognize when a student is not using original work. If you do not understand how **NOT** to plagiarize, please speak to me privately so I can show you! Multiple occurrences must and will be reported to the principal. Use of applications such as ChatGPT can be used for research purposed but under **NO CIRCUMSTANCES CAN YOU SUBMIT WORK THAT IS NOT CREATED BY YOU.**

3) Missed Work & Grades

- a) Ultimately, if you have missing work your grades will be negatively affected. I will always give students the chance to make up work (within reasonable circumstance) to earn better marks. However, **be prepared to defend your position** as to why you should have the privilege to re-do, complete extra or make up missed work. If you miss a course-work deadline and subsequently skip your make-up date, you will be awarded a zero – no exceptions.

4) Participation & Class Conduct

- a) Discussion, synthesizing information and sharing thoughts are essential for an educated citizen. My classes purposely give participation a high grade weight – you're expected to contribute!
- b) Always respect yourself, the teacher and fellow students during class. In the most disruptive of circumstances, a semester wide penalty can be applied to students who distract their peers in perpetuity.
