CODE OF CONDUCT

Pattison High School maintains a Code of Conduct and Student Discipline Protocol that assists all of us to enjoy and benefit from respectful behaviours within and towards the community and property.

Students are expected to conform to the Code of Conduct at all times while they are registered with Pattison High School, and while they are on its property. Breach of the Code of Conduct is subject to consequences as outlined in the Student Handbook and Code of Conduct and Discipline Protocol.

The Code of Conduct includes the following requirements:

1. Students must show respect for those who work and learn at Pattison High School, as well as property and materials. Harassment, bullying, aggression, or other unkind words or deeds towards others are not acceptable.
2. Students are expected to follow directions and guidance of staff and faculty without disruptive or defiant behaviour, including use of technology and cell phones.
3. The wearing of the school uniform from the time that the student enters the school until the student leaves the school is required. School clothing must be evident as the outer layer while in the school.
4. Full attendance, including on time arrival to classes, as a form of respect to oneself, for other students and the teacher, as well as the learning that is taking place in the classroom.
5. Students meet academic expectations, and present work that is their own, original work, free of cheating or plagiarism; the education program is founded upon the trust in academic honesty
6. Students are expected to speak English during class time, unless another language is approved to assist other students to understand class work.
7. Canadians tend to be quiet people who expect public places to be clean and tidy. It is important to behave in a respectful and appropriate way in public or even standing outside the building. Always try to be aware of your surroundings and your impact on others.
8. Smoking of any kind – whether tobacco or e-cigarette - is specifically prohibited on the private property occupied by the school and the Electra building, from the buildings to the sidewalk.
